

2011 - 2012 Service & Accreditation Crosswalk

The Ohio Rehabilitation Services Commission (RSC) and the Commission on Accreditation of Rehabilitation Facilities (CARF) have collaborated in developing this crosswalk that correlates services that RSC purchases from Community Rehabilitation Programs (CRP) and CARF's accreditation areas. The crosswalk provides a reference to the Section and page # where additional information can be found in the CARF Manuals. (Please note that page numbers are in reference to the 2011 Employment & Community Services Manual, unless otherwise noted.) If a CRP wishes to use a CARF area not listed in the table, the CRP should discuss it with Dawn Redfield, Resource Specialist with CARF at 888-281-6531 ext.172, dredfield@carf.org, or James Gears, Rehabilitation Program Specialist with RSC, 419-866-5811, james.gears@rsc.ohio.gov. RSC and CARF will discuss the area and determine if the proposed CARF Section should be allowed and added to the crosswalk. The crosswalk is reviewed by CARF and RSC annually to ensure that it reflects the most recent and accurate data. RSC and CARF reserve the right to make changes to the crosswalk as needed to ensure the quality of services provided to Ohioan's with disabilities.
