Recovery Oriented Systems of Care
The County of Summit Alcohol, Drug Addiction and Mental Health Services Board exists to ensure for citizens of Summit County a healthy community in which a continuum of care supports mental wellness and freedom from addiction, with outcomes optimizing use of available resources. Further:

1. There is effective and timely treatment for people affected by addictions and/or mental health conditions.
   a. There is a full continuum of care for affected persons and their families in Summit County.
      i. Reduction of youth involvement with drugs and alcohol
      ii. Minimize opiate related dependency, deaths and overdoses.
      iii. Elimination of daily living barriers
2. Residents are aware of and engage in lifestyle behaviors that minimize risk and add protective factors.
3. Residents are aware of available resources and services for prevention, treatment, and recovery supports for addictions and mental health conditions.
4. Summit County providers are highly skilled and effective.
5. Summit County’s addiction and other mental health services and supports are addressed in a coordinated fashion.
